

National FAA Safety Team presents:

2013 National Safety Stand Down

Meet your fellow aviators at the 4th Annual National Safety Stand Down. This year thousands of pilots across the country will come together as a Safety Community to participate in a dynamic, interactive program devoted to Local Safety Issues, Loss of Control, and the number one aviation fatal factor – Human Error. Don't miss this opportunity to hear from local flying experts, participate in dynamic discussions, and gain practical insights on how you can learn more from accident reports and reduce errors in your own flying. Be a part of the safety community. Tell your friends, "I'll see you at the Stand Down." Show up early for breakfast! EAA Chapter 512 will be holding a Pancake Breakfast from 7:30 - 10:30 AM on May 4th for small fee.

Directions: Take Highway 50 to the Point View exit east of Placerville, turn right (look for green airport signs) and proceed westbound on Broadway, turn left on Airport Road. Proceed ONE MILE to the top of the hill, the airport entrance will be on your left. Park near the large mailbox, walk through the small gate and turn right to the EAA hangar (large green Quonset hut next to the stand of trees).

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
